

SEB is a leading Nordic financial services group with 16,000 employees, total assets amounting to SEK 2,651 billion and assets under management totalling SEK 1,504 billion.

Rewarding relationships are the cornerstones of the bank's business. Ever since the foundation in 1856, SEB has provided financial services to assist its customers in reaching their financial objectives. The foundation of SEB's client activities are trust, active listening, developing solutions together with the clients as well as strong and lasting dedication to professional and pro-active high level services. According to a recent Bloomberg ranking, SEB is one of the world's ten strongest banks.

SEB is serving large corporations and financial institutions with corporate banking, trading and capital markets and global transaction services. The international nature of SEB's business is reflected in its presence in some 20 countries worldwide.

The bank's focus in the Asian region is serving Northern European and German clients. SEB helps these home market companies entering and establishing operations in Asia as well as Asian companies expanding operations into Northern Europe and Germany. SEB has been working with home-market clients in Asia since 1979. The bank knows the market and its opportunities. It has a broad footprint in Singapore, Shanghai, Hong Kong, Beijing and New Delhi. Close working relationships between the sites, in Asia and home markets, provide a seamless experience. With more than 170 employees in the region we have the knowledge and competence to meet customer needs.

SEB's corporate banking services in Singapore:

- Trade and Export Financing
- Commercial Loan Facilities including Working Capital and Capital Investment Financing in global and local currencies
- Broad range of Cash Management and Treasury solutions
- With a 24 hour Foreign Exchange network service we offer a full range of FX products tailored to the specific client needs.
- We provide a locally based research team covering the major Asian economies.
